Sir:

It is respectfully requested that the present application be amended to delete the names Mario N. Lioubin, Changyou Chen, Stephanie A. Robertson, Wen Shi, Jocelyn Chan, Danxi Li, Roel P. Funke, Michael Schoor, Branko Zevnik, Gunther Kauselmann and Hartmut Tintrup, who are not inventors of the invention presently being claimed. The aforesaid persons were correctly named as inventors in the nonprovisional application as filed, but the election in the accompanying Response to Restriction Requirement restricts the claims so that fewer than the currently named inventors are the actual inventors.

Pursuant to 37 C.F.R. §1.48(b)(1), Applicants submit this request to correct the inventorship of the subject application by removing Mario N. Lioubin, Changyou Chen, Stephanie A. Robertson, Wen Shi, Jocelyn Chan, Danxi Li, Roel P. Funke, Michael Schoor, Branko Zevnik, Gunther Kauselmann and Hartmut Tintrup as inventors because their invention is no longer being claimed in the above captioned nonprovisional application.

Pursuant to 37 C.F.R. §1.48(b)(2) and §1.17(i), it is believed that a fee of \$130.00 is due for the submission of this petition. Please charge the required fee and any other fees deemed necessary to Deposit Account No. 50-1108.
